

JEMEKK HEDGE FUND

Inception date: August 1999

Updated as of November 30, 2020

The Jemekk Hedge Fund seeks to provide long-term capital growth by investing primarily in Canadian and U.S. equities, and may focus its assets in specific industry sectors and asset classes based on analysis of business cycles, industry sectors and market outlook. The fund will seek growth through strategic selection and trading of long and short positions in equity, debt and derivative securities.

For accredited investors, or minimum investment of \$25,000; Canadian investors only

The information and material presented herein are for information purposes only and not to be used or construed as a public offering, an offer to sell or the solicitation of an offer to buy any securities. Commissions, trailing commissions, management fees and expenses all may be associated with fund investments. Please read the offering memorandum before investing. The indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all dividends and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Fund values are not guaranteed, their values change frequently and past performance may not be repeated. Comparisons to indices and other benchmarks are inherently unreliable indicators of future performance.
