

JEMEKK TOTAL RETURN FUND L.P.

Inception date: April 2008

Updated as of December 31, 2022

The Jemekk Total Return Fund is an alternative investment partnership that invests primarily in Canadian and US based securities. The fund was created to carry on the business of investing in mid to large capitalized securities with the objective of providing investors with consistent, positive, absolute returns. These investment goals will be met primarily through long and short investments in equities, convertible bonds, options, futures and other capital market instruments.
